

Denim / Garment Finishing Specialist

Job Purpose

HUB 1922, the Fashion Division of RUDOLF GROUP established in Milan (Italy), is looking for a Denim / garment finishing specialist.

Reporting to the Head of Fashion Division, working closely with the HUB 1922 Creative Director and with the RUDOLF GROUP's chemical R&D, the Denim / garment finishing specialist is an individual with a wide range of competences. He/She couples a deep knowledge of chemical auxiliaries applied to garments with a strong sense of aesthetic. He/She assumes a key function in developing meaningful product innovation, enriches the seasonal collections, manages projects of strategic value as well as internal and external activities with customers.

Job duties

- Primarily responsible for turning responsible chemistry and techniques into product expressions with highly commercial appeal
- Accountable for the testing and benchmark of auxiliary and dyeing solutions
- Responsible for the description and filing of process descriptions (recipes) that must be relevant and reproducible
- Along with the Creative Director, he/she contributes to enrich the collections with ideas that fit into seasonal concepts
- Key reference for customers, he/she manages technical and creative workshops and travels to customers to follow-up and troubleshoot
- Ensures that an adequate number of copies of developments are available to RUDOLF's technical /commercial network and manages the HUB 1922 archive
- Use every external relationship as an opportunity to consolidate the existing business and to create additional leads

Skills / Qualifications

- Training in textile engineering or similar, or extensive experience
- Detailed knowledge of chemical auxiliaries and dyes applied to garments and general knowledge of fashion markets
- Excellent team-player
- Developed sense of aesthetic
- Good written and verbal communication
- Good project management
- Mastering of the English language spoken and written is a must (any other language is a plus)

What we offer

- Interesting network (internal and external)
- Global travelling
- Many opportunities for advancement
- Possibility to realise own ideas
- Good salary package
